NEWS FROM THE COURTS

NOTE FROM THE PRO

Worthington Hills Tennis Players,

June has turned out to be an excellent month of tennis at Worthington Hills. The tennis complex has never looked better and the courts have never gotten so much use! It's been remarkable seeing so many members take advantage of the beautiful weather and one of the safer activities we can do. I've been very happy with the steps everyone has been taking to keep tennis safe!

At the time of this writing, we are still figuring out how we can bring back Friday Night Mixed Doubles, but we don't have a concrete plan in place yet. Since we have not billed out the Tennis Association yet and since we'd need to open a lot of new tennis balls, there would probably be some sort of fee involved. We are also trying to figure out a way to enjoy a nice beverage while still adhering to the social distancing guidelines. Please watch your emails for when we do come up with a plan!

I want to thank Kelly Needleman, Doug Emert and Jessica Sherman for all the communications they had with the GCTA and helping the teams get organized and registered. While I will probably refrain from attending most matches this summer, I wish the teams a lot of luck. And not to put any pressure on them, but our Men's 3.0 team is fighting for a FOURTH consecutive championship...Good luck guys!

If we keep washing our hands, and keep being mindful of other's space, I believe we can continue to have a great summer of tennis and fun here at Worthington Hills. Please be sure to contact us if you have questions, thoughts or concerns!

Thanks, and see you on the courts!

Amos Allison
Director of Tennis
Worthington Hills Country Club

COURT RESERVATIONS

Members may reserve a court up to seven days in advance. Members may not reserve a court for the whole summer unless it is an organized league that gets approved by the staff. Courts may be reserved for 1.5 hours for singles and 2 hours for doubles. With our additional lights we hope to have to enforce these time limits to get more people playing. Court reservations can be made by stopping in the pro-shop, calling the pro-shop (614-885-4378) or by e-mailing the pro-shop (whcctennis@gmail.com). If you call and leave a message or e-mail, we will respond to your request with a confirmation. Please do not text staff to make a court reservation.

DEMO RACQUETS/ STRINGING

We will provide racquet stringing at WHCC with prices starting at \$35 per racquet. Unfortunately, we will not be providing demo racquets this summer.

INTRACLUB RULES/REGULATIONS FOR ALL LEAGUES

1. We ask that you sign up a minimum of 24 hours in advance. (We are running things week by week this summer so that nobody feels pressure to play if they are not feeling well. I plan on organizing the day's matches the night before).
2. If you have signed up and cannot make it, please let us know ASAP. We will bill any cancellations within 12 hours of play unless it is health related.
3. Sign-ups within 12hrs of play may be possible; shoot us an e-mail or call (DO NOT TEXT PLEASE). We will TRY to get you in, but we may have to say no (something we do not like to do).
4. Please sign up using e-mail. If you sign up for "every week except when you let us know," please do your best to remember to let us know.
5. We will give each player 2 new balls that will be their serving balls. Players can mark them and set them to the side when it's not their service rotation.
6. Each week we will come up with a different format: team play, king of the court play, round robin play, or something else enjoyable. We will also include singles, so be ready!
7. Some of the evening intraclub matches might need to use the hard courts.
8. When signing up, please specify which day/time your league plays and the weeks you would like to play. We will try to confirm that we got your e-mail and have signed you up, but even if we do not, please plan on showing up for the days you have indicated.
9. Please be respectful of the other players and show up at the start time or contact us via e-mail or phone 614-885-4378 to let us know you are going to be late. Chronic tardiness will result in drink buying for the whole league!
