GOLF

Dear Members,

I hope everyone is enjoying a great summer and finding plenty of opportunities to get out on the course.

Despite the recent heat, humidity, and heavy rainfall, the golf course remains in excellent condition. While we've experienced minor disease pressure on the 6th fairway due to flooding from recent storms, the impact has been limited. In speaking with other superintendents throughout the area, many are facing far more significant challenges this season.

I'm pleased to report that our greens are in the best condition I've seen in my 25 years at Worthington Hills. Strong root systems, the success of our deep-tine aerification program, and favorable growing conditions earlier this year have all contributed to their outstanding health. Credit also goes to our grounds staff for their hard work and attention to detail.

Thank you for your continued support. We appreciate your patience and look forward to providing exceptional playing conditions throughout the remainder of the season.

Best regards,

Jim Cola

GOLF

Dear Worthington Hills Members,

As we continue through another great golf season, I would like to share an important reminder to help ensure a safe and enjoyable experience for everyone at the Club.

Driving Range Safety

We have recently seen an increase in reports of golf balls from the driving range landing on or near the 15th and 16th holes. Several golfers have experienced close calls, and we want to emphasize that member safety is our highest priority.

Please remember that the individual hitting the golf ball is responsible for any accidents, injuries, or property damage that may result while using the driving range. If you are unable to consistently keep your golf shots within the designated driving range boundaries or have the ability to hit the ball beyond the range, we ask that you refrain from hitting clubs that may carry outside the range. Adjusting your club selection or limiting your shots to those that remain safely within the range helps protect your fellow members and staff.

Director of Golf

Another great season for all of our Junior players!
Well done to the next generation of WHCC golfers.

AQUATICS

Dear Members,

It's hard to believe it is already August. Summer has gone by too quickly. Please make sure to keep an eye on our new pool hours, as they will change throughout the month. Even with school starting in a few weeks, we will still be open as much as possible for everyone to get in as much pool time as they can.

I also want to remind everyone to stay alert while at the pool. Even though our young members have been swimming all summer, accidents can still happen. Our lifeguards remain as focused as they were at the beginning of the summer. As always, all pool rules still apply.

Some of the hottest days of the summer are still ahead. We hope to see everyone as much as possible.

See you poolside,
Dan McCarthy
Aquatics Director

Dear Tennis Players,

I want to thank everyone who came out to support our 4.5+ Men's Team. They turned in a dominant performance against a much younger opponent to capture their second consecutive GCTA Championship! Congratulations to the team, and best of luck to all of our GCTA teams as they wrap up another successful season. A special thank you goes out to all of our team captains for their hard work and dedication throughout the year.

There's still plenty of tennis left to enjoy this summer! Club Championships are coming up on September 7th, and we'll be adding more Compass Draw Tournaments in the coming weeks. Friday Night Mixed Doubles have also returned will continue through Labor Day weekend.
