GOLF

Dear Members,

The golf course is beginning to dry out following our recent stretch of exceptionally wet weather, and I'm pleased with how well it has responded. The Greens Staff continues to work diligently to repair damaged turf and address drainage concerns throughout the course.

We are still seeing some effects from the excessive rainfall, including summer patch activity in several fairway areas. We'll continue taking appropriate measures to protect affected turf and encourage recovery.

You may notice small pink flags marking wet areas in the fairways. Please keep carts out of these areas. Limiting traffic will help the turf dry and recover more quickly.

Our greens remain in excellent health. As moisture levels decrease, we're gradually increasing putting speeds through additional mowing and rolling. A light venting-tine operation will also help improve water movement and promote healthy root development with minimal impact on play.

Looking ahead, tee construction projects will begin in September, followed by tee and fairway aerification in October. We also plan to deep-tine the greens in late October to improve drainage and encourage healthy root growth heading into winter.

Thank you for your patience and cooperation throughout this unusually wet summer, and a special thank you to our Greens Staff for their continued hard work. We look forward to some great fall golf!

FITNESS

As summer winds down and calendars fill with school, sports, work, and fall activities, it's easy for the movement that came naturally during summer to slip out of your routine. September is a great time to reset and find simple ways to keep moving.

Think Small

A workout doesn't have to be long to count. Fit in a brisk 10-minute walk, a few strength exercises, or a quick stretching session when time allows.

Build Movement Into Your Day

Park farther away, take the stairs, walk while catching up with a friend, or stretch while dinner is cooking. Small choices throughout the day can add up.

Enjoy the Season

Take advantage of cooler temperatures with a walk, bike ride, round of golf, or time on the tennis and pickleball courts.

Most importantly, remember that your fall routine doesn't have to look like your summer routine. Find what fits your schedule and focus on consistency.

The WHCC Fitness Center, group fitness classes, personal training, and wellness services are here to help you stay active and feel your best all season long.

FITNESS CENTER REMINDER

Ages 12 & Under

Not permitted in the Fitness Center.

Ages 13–15

May use cardio equipment only. Strength equipment may be used only under the direct supervision of a parent or WHCC personal trainer.

Ages 16–18

May use all Fitness Center equipment, provided adults are not waiting to use the equipment.

Children under 18

Are **not permitted** in the Men's or Ladies Locker Rooms at any time.

Thank you in advance for your cooperation in helping us maintain a safe and welcoming environment for all members.

Wellness For Your Life

As summer begins to wind down, it's the perfect time to prioritize your health and recovery.

Whether you're golfing, playing tennis, staying active in the Fitness Center, or simply looking to feel your best, investing in your wellness can help you enjoy every aspect of Club life.

Massage therapy is an excellent way to reduce muscle tension, improve flexibility, relieve stress, promote better sleep, and support recovery. For golfers and racquet sports enthusiasts, regular massage can also improve mobility, enhance performance, and help prevent overuse injuries.

Take time for yourself this month and discover the wellness services available at WHCC.

Enhancements

RACQUET

Dear Tennis Players,

It's been wonderful seeing so many Club Championship matches taking place over the past few weeks. The level of tennis and sportsmanship has been fantastic, and we're looking forward to an exciting finish as we head toward Club Championship Finals on Labor Day, Monday, September 7. Come out, cheer on your fellow members, and enjoy one of our favorite days of tennis at the Club!

There's still plenty happening before then. Friday Night Mixed Doubles continues through Labor Day weekend, and we'll kick off Ladies Day on Friday, September 4 with a special Ladies Morning at Tennis featuring games, drills, and plenty of fun for all levels.

As we transition into our fall schedule, please keep a few seasonal updates in mind:

- **Pro Shop Hours:** Due to reduced seasonal staffing, the Pro Shop will close at 4:00 PM on Saturdays and Sundays. Members are still welcome and encouraged to play, and we'll do our best to have balls and towels available.
- **Cardio Tennis:** Cardio Tennis remains paused for now, but we hope to bring it back after Labor Day based on member interest.
- **Fall & Winter Junior Tennis:** Watch your email for details about upcoming junior tennis opportunities.
- **Clinics & Lessons:** Our summer drop-in clinics have concluded, but our tennis professionals remain available for private lessons and clinics throughout the fall.

We look forward to seeing everyone out there!

Platform Tennis Is Back!

Looking for a way to stay active and enjoy some friendly competition when the temperatures drop? Platform Tennis season is right around the corner!

Played outdoors from approximately October through March, platform tennis combines elements of tennis and pickleball on a smaller court where the surrounding screens are part of the game. WHCC has four lighted courts, plus heaters to help keep play going throughout the winter.

Whether you're brand new to the sport or an experienced player, there are plenty of ways to get involved. The season will include clinics for all skill levels, social play, interclub leagues, and the WHCC Club Championship. And there's a title to defend—WHCC enters the season as the defending city champion! 🏆

Questions? Contact Bruce Crocco, Platform Tennis Committee Chair, at whccplatform@gmail.com.

Come give platform tennis a try—you may just find your new favorite winter sport!

MEMBER SERVICES

GUEST REMINDERS

As the Club gets busier, we kindly ask all members and guests to check in with the Golf and Tennis Pro Shops prior to play. Proper check-in helps ensure guest information, court and tee sheet accuracy, and all applicable fees are correctly recorded for billing purposes. Thank you for helping us provide a smooth and organized experience for all members and guests this season.

CLUB COMMUNICATIONS

To ensure you receive Club emails, newsletters, event updates, and important alerts, please take a moment to review your contact information in the Member Portal. We are finding that many accounts have missing or outdated email addresses on file, which can result in missed communications throughout the season.
