Dear Members,

Record rainfall in August, followed by **6.35 inches of rain in September—more than four inches above normal**—has created challenging conditions on the golf course and delayed several of our fall plans.

Our tee construction project, originally expected to take approximately 10 days, has stretched to nearly three weeks due to the weather. With a more favorable forecast ahead, we are hopeful the project can be completed and seeded by the middle of next week.

The excessive moisture and rapid turf growth have also limited mowing opportunities. We have temporarily raised mowing heights on tees and fairways to help prevent mechanical damage while the course remains saturated. Despite these conditions, our greens remain extremely healthy following deep-tine aerification.

Looking ahead, tee and fairway aerification will take place in October with minimal disruption to play. The greens will again receive deep-tine venting rather than traditional core aerification, helping us maintain healthy greens while extending quality fall playing conditions. As the course dries, our team will continue working toward the firm, fast conditions we had planned for this fall.

Thank you for your patience and understanding as we work through these unusually wet conditions.

Event Results

For a complete list of event results, players can log on to www.golfgenius.com and enter the **GGID: 81UK91**. This code will allow you to access every event played at WHCC. If you have any questions or require assistance with finding this information, be sure to contact a member of the professional staff.

Demo Club Return

It's that time of year to return Demo Products. If you have a demo club in your bag, we kindly ask that you please return this to us at your earliest convenience. If we do not receive your demo and you miss the return window, your member account will be charged for the missing product.

Worthington Cup Recap

This year's Men's and Ladies Worthington Cup was unfortunately shortened by rain on Sunday, as Mother Nature had other plans for the final round of competition. With the course conditions and weather making play impossible, the winners were determined by the results following Saturday's round.

Congratulations to the winning Ladies team, **Team Blue!** Congratulations to the winning Men's team, **Team Gray!**

We appreciate everyone who battled through the challenging weather and helped make the event a great tradition at Worthington Hills. We look forward to seeing everyone back out competing for the Cup again next year!

Frost Delays

We are starting to see more fall-like temperatures and with that change, we will begin to have frost delays. The Professional staff will be updating the membership via the WHCC club app (Clubhouse Online) and email notification via the Jonas Online tee sheet. On days where we experience a frost delay, we will resume play with the first tee time and work diligently to catch up for the lost time. We ask that you please call the golf shop for an update on your start time once the frost has lifted.

FITNESS

FALL INTO A STRONGER ROUTINE

As the seasons change, so do our routines. Fall is a great time to reset, refocus, and make wellness a priority as schedules get busier and the days get shorter. Whether you're looking to build strength, improve mobility, stay consistent with your workouts, or simply carve out time for yourself, the WHCC Fitness Center is here to support you.

Take advantage of group fitness classes, personal training, massage and wellness services, or your own workout in the Fitness Center.

A little consistency goes a long way. Make time to move, recover, and feel your best this fall.

FITNESS CENTER ACCESS

Make Recovery Part of Your Routine

As fall schedules get busier, don't forget to make time for recovery.

Regular massage can help relieve muscle tension, improve flexibility and mobility, reduce stress, and support better recovery between workouts and activities.

For golfers, racquet sports players, and active members, massage can also help address the repetitive movements and muscle tightness that build up throughout the season.

Give your body the same attention you give your workout.

MOVE WELL, RECOVER WELL, AND FEEL YOUR BEST.

PLATFORM TENNIS

Platform Tennis Is Here!

Running from October through March, platform tennis is a great way to stay active, get outdoors, and enjoy some friendly competition throughout the colder months.

Played on a smaller court with the fences in play, platform tennis is easy to pick up, especially for those with experience in tennis or pickleball. WHCC has four lighted courts with heaters, helping keep play going throughout the winter.

Members can look forward to clinics, organized play, interclub competition and the Club Championship throughout the season.

NEW! Join Our Level 2 Interclub Team

WHCC plans to field two teams in the Central Ohio COPTA League this season. Our Level 1 team competes in the league's top tier and has won multiple championships. New this year, WHCC is forming a Level 2 team for regular players looking for more competitive play and the opportunity to compete against other area clubs.

Interested? Contact Tara Meadors at meadort@nationwide.com.

Take Your Game to the Next Level

Amos Allison will offer private and small-group platform tennis lessons for two or more players looking to advance their game. Sessions can focus on competitive strategy, team positioning and advanced shot development, tailored to the needs of your group.

To schedule with Amos, email whccplatform@gmail.com.
